**W**E HERewith present the Bloomington, Normal, and McLean County Directory for 1899. The number of names in the City Directory is 14,050. Deducting 1,763 names belonging to Normal, leaves Bloomington 12,287, which multiplied by  $2\frac{1}{4}$  makes the population 27,646.

The number of names shown in the County part is 10,260.

The map of the City has been corrected to date by City Engineer Elmer Folsom. A new feature has been added making it easy to find parks, public buildings, etc.

The new map of the County is by James H. Melliush, and is considered the best map of the County ever published.

Thanking the public for patronage, we are.

Very truly,

# THE SUDDUTH PEAR

Bears fruit very young. Attains an enormous size, and lives to a great age. The original tree is 80 years old, 55 feet high, 10 feet in circumference. Bears annually, not having failed an annual crop in 65 years. Bears fruit of very superior quality, being almost entirely seedless and coreless. No hard gritty substance. Meat all through. **THE SUDDUTH PEAR** is positively blight proof, an attempt having been made in the summer of 1897 to inoculate the young trees, which failed to affect them in the least. Never known them to blight.

Is enormously productive, the original tree bearing 80 bushels in one season. Makes the most beautiful ornamental trees, growing as fast as the soft maple and making as beautiful a tree as the hard maple. Has a reputation built upon 80 years' test, although it has but lately been placed upon the market. Has the warmest friends among those who know it best. Write to any reliable old settler of Sangamon County and ascertain if we are correct in our statements. Write to us for our illustrated history of the Sudduth Pear, giving origin and description of the original tree, mailed free upon application. Also our wholesale price list for all kinds of Nursery Stock.

**CAUTION**—Every Sudduth Pear tree must have our lead seal attached to be genuine.

# NATIONAL KIDNEY AND LIVER CURE

IS THE VERY BEST....

## BLOOD MEDICINE

.... IN THE UNITED STATES.

It is a home production made in McLean County, Illinois.  
There is a DOLLAR DEPOSITED in the State National Bank of Bloomington to redeem every package that fails to give entire satisfaction.

No other Medicine has such a guarantee.

Your druggist sells it.

His jobber handles it.

He will sell you a package for one dollar that will cure you of any Liver or Kidney trouble (except Bright's Disease).

Why suffer with Rheumatism when one dollar's worth of National Kidney and Liver Cure will remove the cause and effect a cure?

Have you Indigestion or any form of Stomach trouble?

This medicine is guaranteed to cure it.

## MONEY TALKS

And the money is in the State National Bank of Bloomington to back every bottle and package.

It is for sale by all reliable druggists at \$1.00 a bottle, or \$1.00 a package. (The package will make 100 ounces.)

Ask your druggist for it or send (\$1.10) one dollar and ten cents to the factory for two sample packages to make 200 ounces of this most excellent Blood Purifier and Tonic.
